- Missing Jr Dev Soccer Coach
- Will create TeamSnap teams this week for fall sports + cheer
- Need to determine if tryouts will be needed for any teams this fall
- Practice times needed for Soccer, Volleyball, XC to be identified and sent out ASAP
- TeamSnap reconciliation with athletic memberships is working well - Mary Kosko
- Banner and 8th Grade Pictures need to be discussed in the next meeting - priced, etc.

Spiritwear:

ProKnitwear gave its permission for the school to use logos as we need. If we need them in another format let me know and I'll obtain that from them.

Working with ProKnitwear for spiritwear for the upcoming year. We will launch 3 stores - one before school for early September distribution, one in November for Christmas distribution and one in late winter/early spring for spring sports and summer. **Our first store open date is tentatively set for 7/26.**

Decision is needed to keep or close the Shopify website.

- 1. Equipment Approvals Needed:**
 - Warmups for all registered athletes 1st-8th: ProKnitware - \$11.50/ea, prefer design #4 from ProKnitware
 - Two large portable goals - \$800
 - Size 5 and Size 4 soccer balls, 9ea - \$198
- 2. Additional Equipment: Will work on sponsorships/advertising before next meeting**
 - 4 Mats - \$3,220 or 6 Mats - \$4,830 +tax +shipping
 - 4 basketball hoops, portable and adjustable - \$500 each
 - Soccer uniforms - \$75 per kit, 2 shirts and a pair of shorts, need final approval and designs.
- 3. Sponsorship:** We would like to create a wishlist webpage for the above items.

4. **Soccer Field:** Still trying to find a place for practice. Need to contact Seton after the schedules are set.
5. **Sports Newsletter:** Saints Scoreboard
6. **Spiritware:**
 - o Approved ProKnitware designs and plans to host 3 Spiritwear sales. **Approval Needed on Designs**
 - o Donnie Gilmore will be looking into additional options to sell in-person
7. **Capital Improvements: Updates needed, when available**
 - o Floor work, email being sent out soon for help
 - o Concession Stand?
 - o Lockerroom - Parents seem excited that the kids could have a place to change. We could convert the Boys Bathroom Shower into a storage unit for the Church, Donnie Gilmore's crew.

Consider 125 year anniversary database – ask church

Uniform pricing and approval request by Monday 7/8.

Spring soccer vote: board approved fall soccer only with our own clinics and tournaments in the spring.

Bylaws approved with exception of the number of practices per week.

Board meetings going forward will take place at St Anne Gym, 1st of the month, open to attendees. Next meeting Monday, July 29th at 6:30pm to accommodate vacations.
